DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 04/27/06 has been entered.

Allowable Subject Matter

2. Claims 1-20 are allowed.

3. The following is an examiner's statement of reasons for allowance: Claim 1 and dependent claims thereof are allowable at least for the inclusion of the limitation "a correction quantity determining device for determining correction quantity of each scanning direction with respect to a correction target colors basing on positional shift quantity of each scanning direction calculated by the positional shift calculating device and reliability coefficient of each scanning direction, and a positional correction device for conducting positional correction basing on correction quantity determined by the correction quantity determining device with respect out of respective images to be formed by the plural image forming sections, and reliability coefficients used by the correction quantity determining device differ by a main scanning direction and a sub scanning direction".

Claim 20 is allowable for the inclusion of the limitation "determining correction quantity of each scanning direction with respect to a correction target colors basing on positional reliability shift quantity of each scanning direction and coefficient of each scanning direction', and conducting positional correction basing on determined correction quantity, out of respective
